Hudson-Wappinger Watershed and  
Town of East Fishkill Site Location

## Town of East Fishkill Site

**Site Description:** The Town of East Fishkill offered the site to WLIP for development of floodplain wetlands, recreational trails, and other public amenities. There are opportunities for wetland rehabilitation and establishment activities to be used for compensatory mitigation to offset unavoidable impacts to NYSDEC-regulated wetlands at nearby WLIP client site.

**Watershed:** Hudson-Wappinger

**Impact or Mitigation Site:** Mitigation

**Total Site Acreage:** 152

**Estimated Wetland Mitigation**

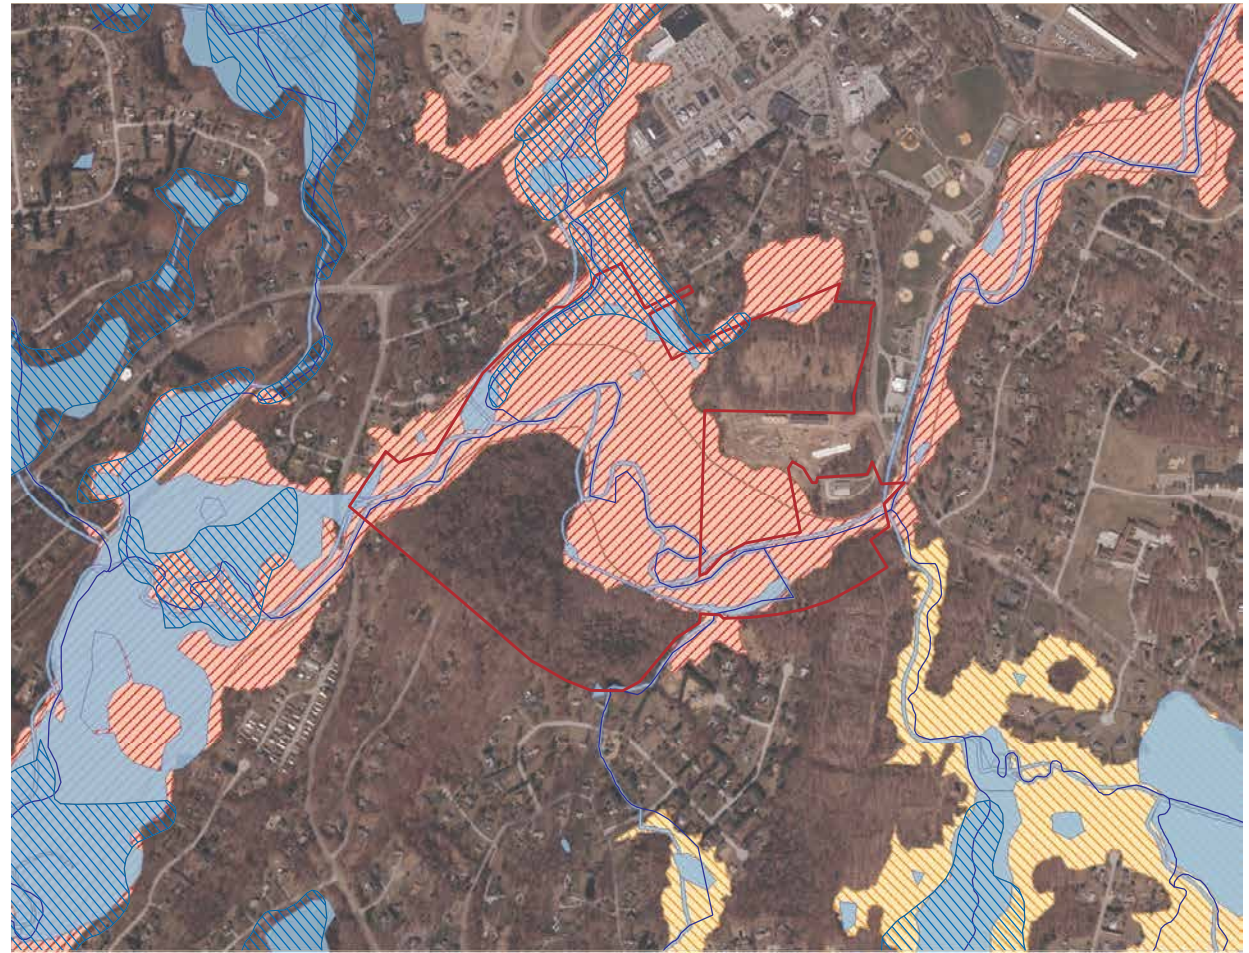

**Credit Potential:** 30

**Estimated Mitigation Sales Potential:**

\$3.0 million

**Recommended Strategy:**

**Propose as permittee-responsible mitigation site to offset unavoidable NYSDEC-regulated wetland impacts at nearby WLIP client site**
